Balance Transfer will be treated as cash advances. Transfers take about four weeks to complete. Please continue to make payments on your other credit cards until verification has been made of payment posting. Payment of the amount(s) authorized by you may or may not satisfy any outstanding balance(s) on the designated account(s). The credit union is not responsible for any remaining balances. The total amount(s) paid and transferred cannot exceed your credit line. The credit union reserves the right to refuse any balance transfer requests.
