

Credit Union Account Wire Transfer Instructions

Sending and receiving domestic wire transfers is easy and convenient. If you have any questions, please contact the credit union directly.

Outgoing Wires

An outgoing domestic wire request can be completed by fax, email or in person; all wire requests will require additional security measures to verify identity. All wire transfer requests must be received by 2:00 pm local time for same-day processing. You'll need to provide the following information in order to send a wire:

- A Northwest Municipal Wire Transfer Request Form
- Your name, address, and phone number
- Your credit union account number
- Personal identification (driver's license)
- The receiving financial institution's name and address
- The receiving financial institution's Wire ABA/Routing Number
- Receiving financial institution's account number, and the name and address on the account

Please contact the credit union directly for additional information and to obtain a wire transfer request form.

Incoming Wires

Domestic

Please use these instructions for any wires within the United States. You will need to provide this information to the financial institution that is sending the wire to your Northwest Municipal Federal Credit Union account.
